Gentherm Named 2024 Top North American Supplier by Honda

Jul 2, 2024

NORTHVILLE, Mich., July 02, 2024 (GLOBE NEWSWIRE) -- Gentherm (NASDAQ: THRM), the global market leader of innovative thermal management and pneumatic comfort technologies for the automotive industry and a leader in medical patient temperature management systems, today announced that the Company was named a top North American Supplier by Honda.

Gentherm was one of 52 suppliers recognized as one of Honda's best suppliers for their excellence in quality, delivery and value. In North America, Honda works with 746 suppliers who provide parts to 13 plants in the region that produce Honda and Acura cars and light trucks.

Honda's OEM Supplier Awards are presented in four categories: Excellence in Quality and Delivery, Excellence in Value, Supplier Sustainability and Honda Service Parts Suppliers Award. Gentherm received Honda's Excellence in Value award which recognizes and honors Gentherm for their commitment to improving efficiency and cost.

"This recognition as a Top North American Supplier embodies our continued dedication to provide our customers with operational excellence, quality, service and innovative technology," said Phil Eyler, President and CEO of Gentherm. "We are enthusiastic about our ongoing partnership with Honda and look forward to delivering continued value in the years ahead."

The awards were presented during the annual Honda Supplier Conference, held in Columbus, Ohio.
